About Institution

Rashtrapita Mahatma Gandhi Arts and Science College, Nagbhid has been founded with a strong belief that value based quality education is the best foundation for success in life. With this in mind, we focus on excellent infrastructure and faculty for imparting higher quality of holistic education and emphasize on inculcating the right value through discipline from academics to sport from spiritual development to personality development. Every aspect is significant to our institution and attention is paid to each of these dimension of education.

Rashtrapita Mahatma Gandhi Arts and Science College, Nagbhid always was an institution that strives to explore both trodden and untrodden in quest for excellence. At this institution we continuously attempt to provide finest environment for learning, research, innovation and character building. Our institution has been accredited with "B" grade by NAAC Bangalor.

Outcomes

To focus on holistic, quality and value added education and character building through the all rounded activities including curricular and extra-curricular implementation. The institute will strive ...

- Guidance for National Level Competitive exam likes IIT-JAM, Central Universities, State University, IIT, NIT, IISc, IISER and so on.
- Every year our students are qualifying National Level Exams like IIT-JAM, Central Universities, Pune University, etc.
- A well thought out and systematic process of teaching and learning via talk and chalk method as well as interactive session with advance learners.
- To provide the quality education facilities for students of backward and middle class living in rural and tribal areas.
- To implement the target oriented different programs for youth and bright students.
- To achieve leadership position in education by providing facilities of learning and holistic development of students via the most effective resources and environments.
- To develop the skills of students for better employment prospects.
- To offer education with sense of social obligation there by achieving the rural development.
