Analysis of Feedback and Action Taken Report 2021-22

1. Students

It is the practice of institution to collect feedback of Students online. This year, due to corona pandemic, the institution collected the feedbacks from all Students on online mode. To make this practice fruitful, this institution formed 'Feedback Committee' for the collection of data from all the Students. At end of every academic year, take this practice. This data is submitted to IQAC by committee.

We have collected online feedback from UG classes including Arts and Science students. Feedback from 259 was collected for their views towards syllabus and its transactions. In this feedback form total special 20 questions were used for the purpose. The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills etc. The outcome unveils that the students are satisfied with the performance of the institution. 80% of the students agree that the overall teaching-learning environment is very good. Students suggested following things for improvement and college take action on it.

Sr.no.	Suggestion	Action Taken	Impact
1.	Few students suggested that there is lack of microbiology laboratory	All requirement about laboratory is provided by purchasing various instruments and now most of good practical labs are develop with equipment.	Teachers paid more attention to have involve in practical. Students participate and get positive response.
2.	Lack of adequate Outdoor playground and Sports instruments	The requirement has been communicated to the teacher in-charge of sports, principal and the management committee. Due to impact of Corona, Outdoor playground is not taking care. Now new playground are developing and few sports event will arrange in future.
