## Analysis of Feedback and Action Taken Report 2021-22

### Students

It is the practice of institution to collect feedback of Students online. This year, due to corona pandemic, the institution collected the feedbacks from all Students on online mode. To make this practice fruitful, this institution formed 'Feedback Committee' for the collection of data from all the Students. At end of every academic year take this practice. This data is submitted to IQAC by committee.

We have collected online feedback from UG classes including Arts and Science students. Feedback from 259 was collected for their views towards syllabus and its transactions. In this feedback form total special 20 questions were used for the purpose. The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills etc. The outcome unveils that the students are satisfied with the performance of the institution. 80% of the students agree that the overall teaching-learning environment is very good. Students suggested following things for improvement and college take action on it.

Sr.no.	Suggestion	Action Taken	Impact
1.	Few students suggested that there is lack of microbiology laboratory	All requirements about laboratory is provided by purchasing various instruments and now most of good practical labs are develop with equipment.	Teachers paid more attention to have involved in practical. Students participate and get positive response.
2.	Lack of adequate Outdoor playground and Sports instruments	The requirement has been communicated to the teacher in-charge of sports, principal and the management committee. Due to impact of Corona, Outdoor playground is not taking care. Now new playground is developing and few sports event will arrange in future.	Students involved in Sports activities and got prize in university and state level.

# "National Webinar on COVID-19 Stress Management" (06/06/2021)

## Stress Management Webinar

### Context –

The mental health and wellbeing of human (students) living in conflict-affected countries is dangerously deteriorating as they struggle to cope with the socio-economic fallout of the COVID-19 pandemic. Having survived life-threatening, life-altering conflicts, their ongoing fear, trauma and chronic stress is compounded by the daily anxiety, uncertainty and hardship produced by the pandemic. These human (students) are best placed to articulate their worries and concerns about the devastating toll that COVID-19 is taking on their mental health and their future, as well as its insidious impact on their families and communities. To better figure out this alarming, under reported global situation, R.M.G. college, NAGBHID has organized "Stress Management Webinar".

### Practice –

On dated 06<sup>th</sup> August, 2021 Webinar was organized in the online mode for the students. A total 97 participants has attended the webinar. Well known Psychologist Dr. Nawnath Gaykwad address the participant.

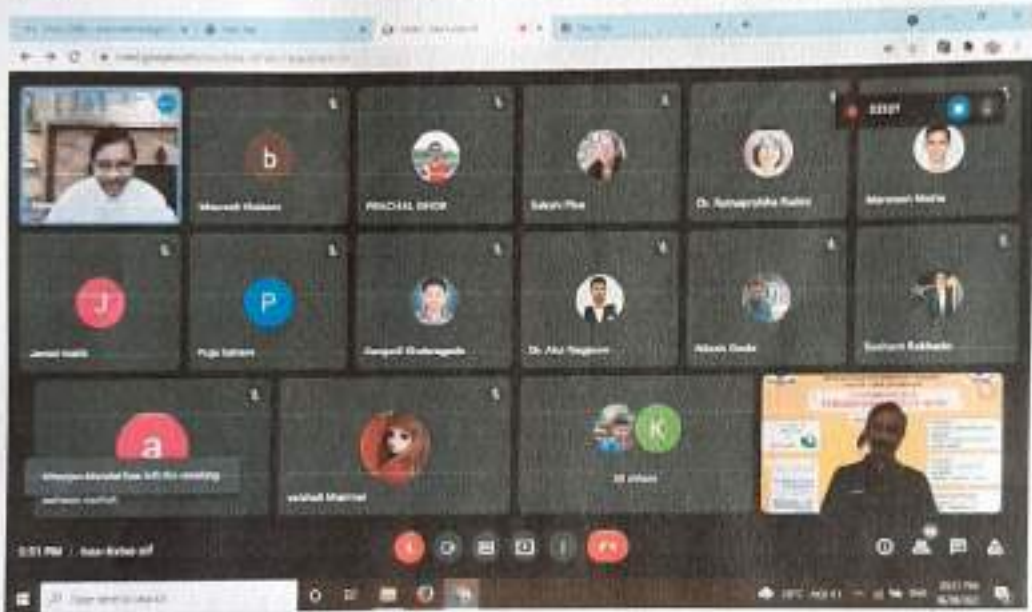

### Outcome –

Students get relaxed and feel better after hearing the moral thoughts from speaker. They look forward in life with better hope.

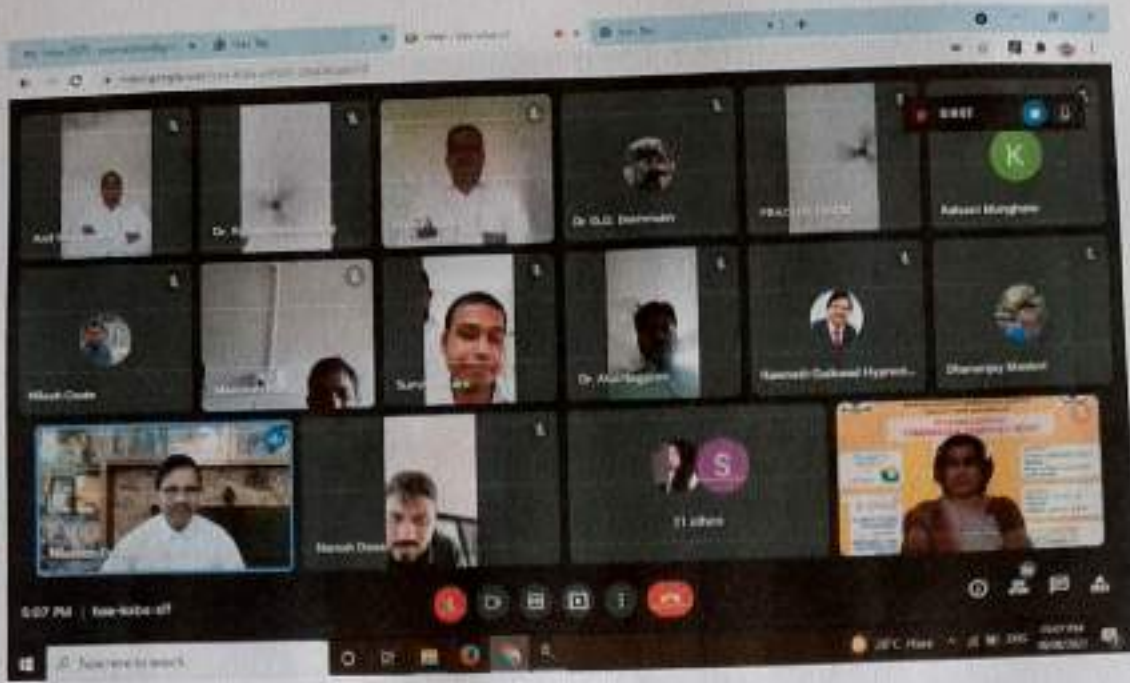

The banner features the logos of Manoharshi Sheelan Prasadk Mandal Achari's and the college. The main title is 'NATIONAL WEBINAR ON COVID-19: STRESS MANAGEMENT'. # "National Webinar on the Occasion of Women's Equality Day" (26/08/2021)

## Context –

Women have been the ones who are doing so much work behind the scenes and are never credited for it. Our grandmothers, mothers and sisters play such an important and integral role in our lives and sadly they are reduced to just that and no one even value or appreciate them. Valuing them by empowering and paying head to their voices is very important. And this can be done by putting them in positions of power where they get to make decisions. Only then we will see real change and there will be growth.

## Practice –

On 26<sup>th</sup> August 2021, online webinar was organized by Rashtrapita Mahatma Gandhi Arts & Science College, Nagbhid. **Dr. Priti Kamdi** is family counselor and President of Counseling Hub, Bina, Madhya Pradesh address the participants and advised girl students to set goal to get success in their life and should preplan steps to reach their goals. Madam communicated with girl's students and made them feel free to talk.

## Outcome –

The webinar gives all the girls and women the power to choose and decide what uplifts their status in society.

## Botanical Excursion Report

**Context:** Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. Field study is an essential part of Botany as plants are best studied in their natural habitat. The tour applies study of environmental, ecological and local flora as well as fauna. It includes preparation of herbarium and sample collection. Department of Botany provides the compulsion for undergraduate students to attend the tour. Thus education tour is of vital importance as practical knowledge gained

**Practice:** As a part of B.Sc. Curriculum one day Botanical excursion has been arranged by Rashtrapita Mahatma Gandhi Arts and Science College, Nagbhid Department of Botany on 18<sup>th</sup> August 2022 at Ghodazari Wildlife Sanctuary along with Forest Department. Ghodazari Wildlife Sanctuary is a wildlife reserve established in 2018 in Nagbhid in the Chandrapur district of the Vidarbha region in Maharashtra, India. It includes 159 km<sup>2</sup> (61 sq mi) of southern tropical dry forest and a lake. The forest is considered a key region on the connecting corridor for the tiger migration between the Tadoba Andhari Tiger Project and Umred Karhandala Wildlife Sanctuary. It is named after a village of the same name that is almost in the middle of the forest, about 2 km from the dam and the resort. In Marathi, 'Ghoda' means horse and 'Zari' means a place with a water spring. The tour was organized under the kind and expert guidance of our respected Principal Dr. G. D. Deshmukh Sir and Dr. Rajendra Chavhan sir guides about various diversity of birds and related fauna and Dr. V. M. Mohture Sir, Dr. Kayarkar Sir and Mr. Madavi Sir also guides about plants and various floral diversity.

During visit, faculties explain the importance of location, shown actual habitat, discussed & informed about all plants groups such as (Algae, Fungi, Bryophytes, Pteridophytes, Gymnosperms, Angiosperms) along with their taxonomy details which includes botanical names & its classification. Economic importance, medicinal uses, extinction of any species & other specialties related climate, temperature, composition of soil also. Non-teaching staff and students tried to collect and uproot those plant species which does not show its contribution in nature.
