## "National Webinar on the Occasion of Women's Equality Day"

**Context:** Women have been the ones who are doing so much work behind the scenes and are never credited for it. Our grandmothers, mothers and sisters play such an important and integral role in our lives and sadly they are reduced to just that and no one even value or appreciate them. Valuing them by empowering and paying head to their voices is very important. And this can be done by putting them in positions of power where they get to make decisions. Only then we will see real change and there will be growth.

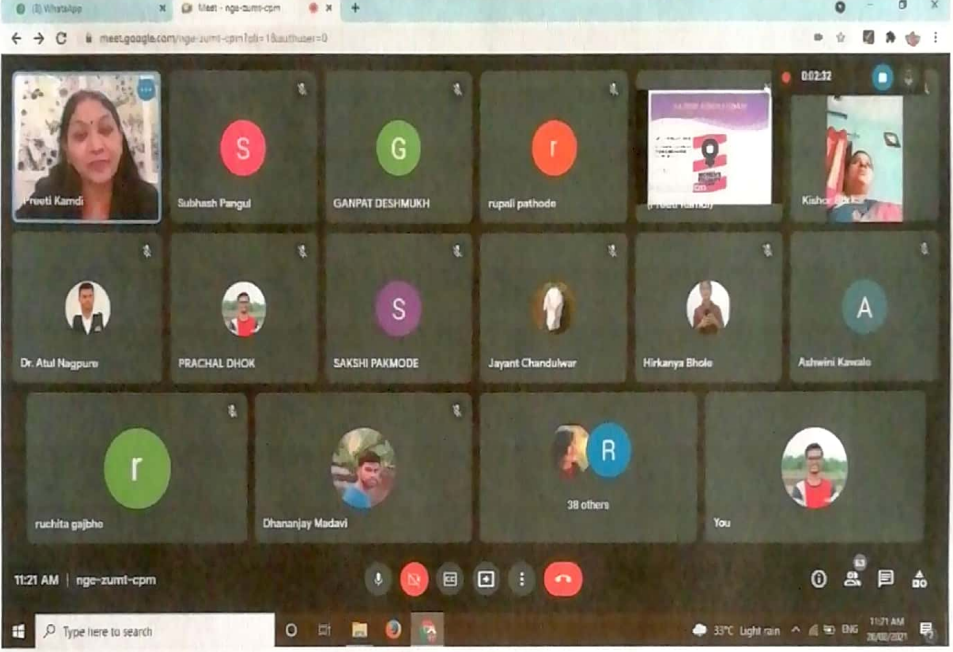

**Practice:** On 26<sup>th</sup> August 2021, online webinar was organized by Rashtrapita Mahatma Gandhi Arts & Science College, Nagbhid. Dr. Priti Kamdi is family counselor and President of Counseling Hub, Bina, Madhya Pradesh address the participants and advised girl students to set goal to get success in their life and should preplan steps to reach their goals. Madam communicated with girl's students and made them feel free to talk.

**Outcome:** The webinar gives all the girls and women the power to choose and decide what uplifts their status in society.
