Analysis of Feedback and Action Taken Report 2020-21

4. Teachers

It is the practice of institution to collect feedback of all the stakeholders manually as well as online. This year, due to Covid-19 pandemic, the institution collected the feedbacks from all stakeholders on online mode. To make this practice fruitful, this institution formed 'Feedback Committee' for the collection of data from all the stakeholders. At end of every academic year, feedback had been undertaken. This data is submitted to IQAC by committee.

The feedback from the parents had been taken to assess their opinion about institution regarding the quality of education provided. We have received the feedback from 11 faculties for their views towards syllabus and its transaction.

Teachers feedback are very informative to better the existing situation. It is based on the feedback listed action were taken as reported in the table below.
