Analysis of Feedback and Action Taken Report 2020-21

2. Alumni

It is the practice of institution to collect feedback of all the stakeholders manually as well as online. This year, due to Covid-19 pandemic, the institution collected the feedbacks from all stakeholders in online mode. To make this practice fruitful, institution formed 'Feedback Committee' for the collection of data from all the stakeholders. At end of every academic year, questionnaire provided to alumni for the assessment of the institution. This data is submitted to IQAC by committee.

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities. The feedback on curriculum by alumni was highly positive. Majority of the students expressed that the curriculum was very relevant for their employability.

Alumni suggested following things for improvement and college take action on it.
