

## PARENT'S FEEDBACK ANALYSIS FOR THE ACADEMIC YEAR 2021-22

Parents have entrusted the future of their children into our hands and thus they play a very important role in the development and enhancement of the quality of this learning experience. Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children.

We are collecting feedback from Parent during Parent Meet. 27 parents submitted the feedback form

### Objectives of parent's feedback on institute:
