Prof. Madhu Vinjamur
Organizing Chairperson, JAM 2018, IIT Bombay

20-March-2018

- Candidates should note that qualifying or being on the merit list of any test paper neither guarantees nor entitles one to admission at IITs and IISc.
- Candidates who have qualified in JAM 2018 can apply for admission to programs to which they are eligible only in the academic year 2018-19 at IITs and IISc.
- For admission to various programs, the qualified candidates have to submit admission form ONLINE at the JAM Online Application Processing System website (joaps.iitb.ac.in) between 03-April-2018 and 17-April-2018 with all the relevant documents. There is NO need to send a hard copy of the admission form/documents. Only those applications that are complete in all respects and have been properly submitted/uploaded within the stipulated time and date will be considered.
- Upon applying, offers will be made to candidates based on the order of merit, the candidate's choice(s) and the number of seats available at the admitting institute(s). Those candidates have to satisfy the Eligibility Requirements (ERs) and Minimum Educational Qualifications (MEQs) of the programme(s) of the admitting Institute(s). The fulfilment of ER & MEQ is decided by the department offering the programme and the prerogative to accept/reject the candidate remains with the department.
- For latest updates on ER, MEQ and other admission related information, candidate must refer to the JAM 2018 official website, <http://jam.iitb.ac.in>, and the Information Brochure available there.
- The authenticity of the contents of this Scorecard may be verified with the Organizing Chairperson, JAM 2018, GATE-JAM Office, IIT Bombay, Powai, Mumbai, 400076.
- Information given in this Scorecard should not be used by any candidate/institute without prior permission of the Organizing Chairperson, JAM 2018.

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to **M_q**,
S_t = 900, is the score assigned to **M_t**,

In the GATE 2019 score formula, **M_q** is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Subject: Provisional admission to Joint M.Sc.-Ph.D. programmes in Chemistry (1601) at IIT Kharagpur through JAM 2020

Dear Candidate,

Congratulations! You have been provisionally offered under ST - category, admission to the Joint M.Sc.-Ph.D. programme in Chemistry (1601) at IIT Kharagpur. Please download the offer documents and indicate your decisions in JOAPS. This offer letter is purely provisional subject to fulfillment of all eligibility of Academic qualifications and category, if any. All such documents will be physically verified once will be in the campus.

The advance fee paid by you will be adjusted against the total registration fees at the time of admission at IIT Kharagpur. Fee structure is under revision and will be intimated to you later. Due to COVID-19 pandemic condition, no student will be called to the campus in Autumn 2020-21 semester. However, classes will begin from **September 1st 2020 in online mode.**

The Minimum Educational Qualification (MEQ) and Eligibility Requirement (ER) to take admission in the Joint M.Sc.-Ph.D. programme in Chemistry at IIT Kharagpur are the following:

ER: (1) A Bachelor's degree and (2) At least 55% aggregate marks without rounding off (taking into account all subjects, including Languages and Subsidiaries, all years combined), for General/EWS/OBC(NCL) Category Applicants and at least 50% aggregate marks, without rounding off (taking into account all subjects, including Languages and Subsidiaries, all years combined), for SC/ST and PwD Category Applicants in the qualifying degree.

MEQ (Chemistry): Chemistry for three years/six semesters with Mathematics in 10+2 level

For Applicants with letter grades/CGPA (instead of percentage of marks), the equivalence in percentage of marks will be decided by the Admitting Institute(s).

Candidates admitted to programmes through EWS, OBC-NCL, SC, ST and PwD should note the following. **EWS/OBC-NCL (Non Creamy Layer) applicants should have a certificate in prescribed format (as given in the JAM 2020 Brochure) issued on or after 01/04/2019.** SC/ST/PwD applicants should have certificates in the prescribed format.

The entire responsibility lies with the candidate to prove that he/she satisfies ER and MEQ requirements (including EWS/ OBC-NCL/SC/ST/PwD/Nationality certificates, wherever applicable) for admissions.

Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the Joint M.Sc.-Ph.D. programmes in Chemistry at IIT Kharagpur and the student will have to leave the programme. Candidates whose final results has already been published must submit the same on or before 30th September 2020. Those candidates whose final results are awaited will be required to submit a copy of the course completion certificate issued by the appropriate authority of your institution **on or before 30th September 2020.** The details of submission procedure will be intimated to the enrolling candidates at a later date.

Students need to enroll by creating an ERP profile. The ERP Profile has to be created at <https://erp.iitkgp.ernet.in>. Please read instructions carefully, which are available at <https://erp.iitkgp.ernet.in/PGAdmManual.pdf> for creating ERP profile. Please note that you are required to upload image files of your photograph and signature while updating your ERP profile (if not already uploaded).

After your registration process is complete you may contact your Department/ Faculty Advisor for further instruction. Instructions for subject registration are also available at <https://erp.iitkgp.ernet.in/RegistrationManual.pdf>.

- Candidates should note that being on the merit list of any test paper neither guarantees nor entitles one to admission to IITs or IISc.
- Candidates who are in the merit list of JAM 2021 can apply for admission to programs at IITs and IISc, for which they are eligible only in the academic year 2021-22.
- For admission to various programs, the candidates in the merit list must submit the admission form ONLINE at the JAM Online Application Processing System website (<https://joaps.iisc.ac.in>) between 20 April 2021 and 20 May 2021 with all the relevant documents. There is NO need to send a hard copy of the admission form/documents. Only those applications that are complete in all respects and have been properly submitted/uploaded within the stipulated time and date will be considered.
- Upon applying, offers will be made to candidates based on the order of merit, the candidate's choice(s) and the number of seats available at the admitting institute(s). Such candidates must satisfy the Eligibility Requirements (ERs) and Minimum Educational Qualifications (MEQs) of the programme(s) of the admitting Institute(s). The fulfilment of ER & MEQ is decided by the department offering the programme and the prerogative to accept/reject the candidate vests with the department.
- For latest updates on ER, MEQ and other admission related information, the candidate must refer to the JAM 2021 official website: <https://jam.iisc.ac.in/>, and the Information Brochure available there.
- The authenticity of the contents of this Scorecard may be verified with the GATE-JAM Office, Indian Institute of Science, Bangalore, Bengaluru - 560012, until July 25, 2021.

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

S_q = 350, is the score assigned to M_q

S_t = 900, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

- Candidates should note that being on the merit list of any test paper neither guarantees nor entitles one to admission to IITs or IISc.
- Candidates who are in the merit list of JAM 2022 can apply for admission to programmes at IITs and IISc, for which they are eligible only in the academic year 2022-23.
- For admission to various programmes, the candidates in the merit list must submit the admission form ONLINE at the JAM Online Application Processing System website (<https://joaps.iitr.ac.in>) between 11 April 2022 and 11 May 2022 with all the relevant documents. There is NO need to send a hard copy of the admission form/documents. Only those applications that are complete in all respects and have been properly submitted/uploaded within the stipulated time and date will be considered.
- Upon applying, offers will be made to candidates based on the order of merit, the candidate's choice(s) and the number of seats available at the admitting institute(s). Such candidates must satisfy the Eligibility Requirements (ERs) and Minimum Educational Qualifications (MEQs) of the programme(s) of the admitting Institute(s). The fulfilment of ERs & MEQs is decided by the department offering the programme and the prerogative to accept/reject the candidate vests with the department.
- For latest updates on ERs, MEQs and other admission related information, the candidate must refer to the JAM 2022 official website: <https://jam.iitr.ac.in/> and the Admission Brochure available therein.

Title of the Practice: Women Empowerment and Gender Sensitization

(Through Career counseling, Hygiene Measure, Health checkup camp, safety and security)

Session 2021-2022

"National Webinar on COVID-19 Stress Management"

Context: The mental health and wellbeing of students living in India is dangerously deteriorating as they struggle to cope with the socio-economic fallout of the COVID-19 pandemic. Having survived life-threatening, life-altering conflicts, their ongoing fear, trauma and chronic stress is compounded by the daily anxiety, uncertainty and hardship produced by the pandemic. These students are best placed to articulate their worries and concerns about the devastating toll that COVID-19 is taking on their mental health and their future, as well as its insidious impact on their families and communities. To better figure out this alarming, under reported global situation, R.M.G. college, Nagbhid has organized "Stress Management Webinar".

Practice: On dated 06th August, 2021 Webinar was organized in the online mode for the students. A total 97 participants has attended the webinar. Well known Psychologist Dr. Nawnathji Gaikwad address the participant.

Outcome: Students get relaxed and feel better after hearing the moral thoughts from speaker. They lookforward in life with better hope.

"National Webinar on the Occasion of Women's Equality Day"

Context: Women have been the ones who are doing so much work behind the scenes and are never credited for it. Our grandmothers, mothers and sisters play such an important and integral role in our lives and sadly they are reduced to just that and no one even value or appreciate them. Valuing them by empowering and paying head to their voices is very important. And this can be done by putting them in positions of power where they get to make decisions. Only then we will see real change and there will be growth.

Practice: On 26th August 2021, online webinar was organized by Rashtrapita Mahatma Gandhi Arts & Science College, Nagbhid. Dr. Preeti Kamdi is family counselor and President of Counseling Hub, Bina, Madhya Pradesh address the participants and advised girl students to set goal to get success in their life and should preplan steps to reach their goals. Madam communicated with girl's students and made them feel free to talk.

Outcome: The webinar gives all the girls and women the power to choose and decide what uplifts their status in society.

Importance of Covid Vaccination and Health Management Program

Context: During pandemic many people's suffer from Corona Virus. Covid-19 vaccination protects people from getting seriously ill, being hospitalized and dying. Covid-19 vaccine is a safer, more reliable way to build protection from new infection. So it is a need of time to spread awareness among the students and staff about the vaccination.

Workshop on 'Hygiene measures during menstruation'

Context: Menstruation or menses is the natural bodily process of releasing blood and associated matter from the uterus through the vagina as part of the menstrual cycle. Menarche is the onset of menstruation, the time when a girl has her first menstrual period. In this part of rural India, Menstruation and menstrual practices are still clouded by taboos and socio-cultural restrictions resulting in adolescent girls remaining ignorant of the scientific facts and hygienic health practices, which sometimes result into adverse health outcomes. As our institution, located in the socio-economically backward region of eastern Vidarbha, adolescent rural girls succumb to many venereal diseases, on this pretext, it becomes imperative to organize one day workshop on hygiene measures to be taken during the time menses.

Practice: ICC-PUSH of institution had organized Workshop on 'Hygiene measures during menstruation' for girl students on dated 6th August, 2019. In this workshop, Dr. Sharvari Rudey, Nagpur, had interacted with girls through thought provoking slides on PowerPoint presentation. At the beginning of program, documentary on the menstruation related problems was shown to the students. In this workshop 157 girl students participated.

Sensitization: Girls due to social taboo associated with menstruation, initially hesitate to express their feelings, but due to friendly interaction by the Dr. Sharvari Rudey, they feel free to express their views and try to understand the scientific facts related with menses and importance of hygiene measures to be taken. Later on, in coming days, girl students educated in such workshop now acts as brand ambassador to propagate, the message of hygiene measures in community.

Awareness workshop on 'Malnutrition in rural girls' and health check-up camp

Context: The foundation of adequate growth and development is laid before birth, during childhood, and is followed during adolescence. Adolescents are the future generation of any country and their nutritional needs are critical for the well being of society. In rural India, a large number of adolescents suffer from chronic malnutrition and anemia, which adversely impacts their health and development. The high rate of malnutrition in girls not only contributes to increased morbidity and mortality associated with pregnancy and delivery, but also to increased risk of delivering low birth-weight babies. This contributes to the intergenerational cycle of malnutrition. Approximately 70% students in institution are girls, mostly from socio-economically underprivileged rural community, suffers from chronic malnutrition and anemia. Malnutrition poses a variety of threats to women. It weakens women's ability to survive childbirth, makes them more susceptible to infections, and leaves them with fewer reserves to recover from illness. On this context, ICC-PUSH of Institution in collaboration with Department of Integrated Child Development Services (ICDS), Nagbhid organized Workshop on malnutrition on dated 17th September, 2019 in order to bring awareness in undergraduate adolescent girls.

Practice: Program started with introductory speech of Dr. Rudey, chairperson of ICC-PUSH, in her speech, she has explained different physiological changes during the onset of menstruation in girls. Due to incremental growth during this period, need of body for macronutrients like proteins, vitamins and minerals increases many fold. Mr. Thombare Saheb, officer from ICDS Nagbhid, interacted with girls and give detailed information about different drives being implemented, which aimed towards alleviating malnutrition in rural adolescent girls. Many 'Asha Workers' working in different villages also participated in this programme. In this workshop, 245 students participated.

Sensitization- During the workshop girls feel sensitized towards importance of proper nutritional diet. They ask queries related with nutritional needs of body and few expresses themselves. Students after workshop, feel free to interact with Dr. Rudey, Chairman, ICC-PUSH, regarding their health related issues.

Celebration of International Women's Day

Context: International Women's Day is celebrated in many countries around the world. It is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. In rural India, especially in the community where literacy rate is very low as compared to urban area, women are subjected to many inhuman treatment and they were denied gender equality. Our local community dominated by tribal's which is also reflects in the number of girls enrolled coming from this socio-economically backward class. In this context, birth anniversary of Social Worker, first female teacher of India, Savitribai Phule was celebrated as 'Mahila Mukti Din' which aimed towards inculcating the sense of gender equality among the college students.

Practice: On dated 8th March, 2020, ICC-PUSH of institution organized programme to celebrate 'Mahila Mukti Din'. It is presided by Dr. Sangita Revatkar, Mrs. Bhavana Tarvekar was the Chief Guest, Mrs. Nagpure, also present to address the gathering. Dr. R. J. Rudey, gave introductory address, in which objective behind organization of this programme was elaborated. Students organizes street play on 'Gender Inequality', through which importance of literacy in womens was highlighted. In this workshop 203 girl students participated.

Sensitization – Approximately 80% of enrolled students are girls, hence sensitization of the students towards gender equality will definitely serves towards spreading this message in the community.

HIV. HIV, or Human Immunodeficiency Virus, weakens your immune system by destroying important cells that fight disease and infection. Over time, HIV can destroy so many of your T-cells or CD4 cells, a key part of your immune system, that your body can't fight infections and disease anymore. When this happens, HIV infection can lead to AIDS. AIDS, or Acquired Immunodeficiency Syndrome, is a complex illness with a wide range of complications and symptoms. AIDS is the final stage of HIV. When individuals reach this stage, they are at high risk for opportunistic infections due to their badly damaged immune system.

Practice: Zoology Department of Institution in collaboration with Nagbhid Rural Hospital organizes, HIV screening programme. Team from Rural Hospital Nagbhid, undertaken HIV Screening programme under the directions from National AIDS Control Organization (NACO), on dated 17th Jan, 2020 live interactive session through video conferencing was carried out. Later on, Dr. Anil Rudey, Civil Surgeon, Gadchiroli, deliver lecture through interactive power point presentation. He explained in detail intricacies of AIDS disease.

Sensitization: As there are many mis-beliefs and doubts in the mind of students regarding AIDS. These patients has to face social stigma, which further complicates the situation resulted in complete isolation of such patients. After this awareness programme, students appear sensitized towards complications of AIDS and ready to spread the message in the society. In this workshop, 156 students were screened for HIV.
